A 'Taste of Learning' this week at Milton:

Our Year 2 have been promoting curiosity and wondering this half term and have created their own Wonder Walls with list of questions the children would like answers to.
They have had great fun trying to find the answers to questions such as 'What would be the best material to make a cape for a superhero out of?'

Bendegedig Year 2!

Please ensure your children come to school with the appropriate clothing now that the weather is becoming colder and wetter!
All children need coats and appropriate footwear at all times.
In addition, if your child takes part in an after school club, they will need the correct kit otherwise they may not be able to join in.

Flu Spray

You should have received a letters regarding giving consent to your child having the Flu Spray. We encourage all parents to give consent and to please return letters as soon as possible.
