Dear Milton families,

We are delighted to be able to share with you our class organisation for next academic year.

Next week will be transition week at school and this year we are going to extend our transition arrangements so that the children will have the opportunity to spend each morning next week with their new teacher before returning to their current teacher for the afternoon.

Children will come into school through their usual doors and be registered by their current class teacher so families do not have to worry about dropping off or collecting from difference entrance points.
