Dear Parents and Carers,

We have had a wonderful first fortnight back at school and I'm pleased to report that we have continued to avoid any year groups isolating for the time being.

Please take the time to read the newsletter carefully as there are some important updates regarding changing to the booking system for school dinners as well as a provisional date for Christmas celebrations- which will of course look and feel slightly different this year due to the restrictions.

Have a lovely weekend,
Mrs Burke

Parent Pay

There will be a letter being sent home today outlining important changes to how you will need to order and pay for school dinners on ParentPay from Monday 23rd November. From this date, parents and carers will need to select and pay for the menu option in advance.

Please contact the school office if you need any support with your ParentPay account or if you would like to arrange a payment plan to clear any outstanding debt on your account.

Outdoor Classroom Day

Outdoor Classroom Day was held on 5th November and we were blessed with a beautiful sunny day.

It was a truly wonderful day and all children and staff thoroughly enjoyed being in the great outdoors.

There were a wide variety of activities including: building fires, roasting marshmallows, creative art using natural resources and scavenger hunts. If you haven't already done so, visit our school Twitter feed for lots of photos.

Remembrance Day 2020

We are very proud of our Pupil Leadership Team for leading our whole school reflection on Wednesday 11th November. They shared a virtual presentation during assembly and led the minute's silence.

SOCIAL DISTANCING REMINDER

Finally, can I take this opportunity to emphasise the importance of maintaining a social distance at drop off and pick up times so that we can endeavour to keep those nasty germs at bay for as long as possible. We thank you for your cooperation with this.
