

2nd September 2020

Dear Families,

Your child's classteacher will be in contact shortly to let you know what day your child will have PE. We ask that on these days your children wear their PE kits to school and not their school uniform. We will **not** be storing PE bags in school at this time. PE will not begin until the 3rd week of school.

PE will be outdoors as much as possible. We recommend that you send your child in wearing our outdoor games kit in readiness for any inclement weather. This kit is usually for Year 2 to Year 6 but we are extending this to include Reception and Year 1 in these uncertain times. Our games kit can be purchased from any supermarket or school wear shop and is as follows:

- **Plain navy** Jogging bottoms or leggings (no patterns)
- **Plain navy** hoodie or sweatshirt (with or without school logo)
- Round neck t-shirt (blue/red/green or yellow depending on which house they are allocated to)
- Trainers

It is advisable to leave watches and studs at home on PE days and tie back long hair.

Many thanks,

Mrs Burke
