Dear Parents and Carers,

Half term has arrived! All of us at Milton would like to thank you for working with us and keeping our children safe by following the guidance and the measures we have put into place in and around school. These measures such as the extended start time will continue next term.

We are delighted that we have been able to make it this far with all contact groups remaining open. Attendance for the whole school has been approximately 89% and when you take away the families who have been isolating because of Covid-related symptoms attendance is 92.7% which is wonderful! Thank you for recognising the importance of sending your child to school!

It has been such a pleasure to be able to see our children beginning to thrive with their learning as our new routines continue to be embedded week on week. The staff at Milton have loved getting back into a very positive rhythm with pupils and we look forward to sharing learning and progress during our parent consultation telephone calls which will take place in the first fortnight after the half term holiday. I would like to give a big shout out to all our staff who have gone above and beyond to ensure that Milton is a wonderful place to be, with everyone 'learning together, achieving forever.'

We still have few concerns raised by parents concerning 'home time' and socially distancing. Please, please remember to maintain a 2 metre distance from others when on the playground at the end of the day and also leave the premises promptly so that we can continue to ensure a safe environment for us all. Have a wonderful half break everyone and look forward to seeing you all on Monday 2nd November!
