Headteacher's Comments

The sun is shining and it is starting to feel a bit more like Summer! During the warmer days, please ensure that children apply sun cream at home and are sent to school with a drink of water and a hat/ cap.

We are so very proud of our children in Year 2-6 for their effort and resilience during the national tests last week. Children sat tests in Reading and Mathematical Reasoning and their results will be submitted to Welsh Government. Parents and carers will be issued with results at the end of the summer term.

Thank you to all our families for supporting Mr Davies, our caretaker, in last week's non-uniform day. We raised over £350. The children enjoyed finding out more about the Friends of Rwandan Rugby cause and Mr Davies will be taking letters from the children with him on his trip later this month.

This week we are holding a 'Festival of Brilliance' where children are completing fun activities which help them to become the best versions of themselves. The focus for some of the activities will be: random acts of kindness, choosing to be positive, taking personal responsibility and being able to bounce back! Teachers will share activities on Class Dojo and Twitter so keep a look out!

As some of you may also be aware, May is Cystic Fibrosis awareness month and so on Friday 24th May children are invited to wear purple to school and make a voluntary donation to the Cystic Fibrosis Trust. This is a cause that is very dear to our hearts as we have, and have had, children in school that live with this condition.

We are pleased to hear that so many of our children who were struck down with chicken pox last term are feeling better. As a result, our attendance is back on the up, and we are going to do everything we can to reach our target of 93.3% this month.

Mrs Burke ☺
