

Dear Parent/Guardian,

This year, every class in school will run a **family learning workshop** which will have either a literacy or a numeracy focus. The sessions will run from *9am* – *11am* and will be led by Helen Davies, our family learning ambassador.

### **What do the session involve?**

Each session involves watching a warm up session in your child's classroom followed by a session on how to support your child's learning and making games to help with this. Your child will then join you for the final part of the session to try out the games made.

Tea and coffee will be provided.

We look forward to seeing you!
