

Newsletter-March 2019

Sorry there have been no newsletters for a while due to technical issues.

We would like to take the time to thank everyone for their support for all our recent events. These include the Christmas Fayres, The Film nights and the recent Valentines Discos.

The school is currently providing us with details of items they need in which to improve the pupils learning and as soon as they have provided us with these, we shall let you know. So far, the PFA have been able to provide sports equipment, building blocks and books vouchers for the recent World Book Day event.

As you can imagine without all the support this would not be possible so a big THANK YOU for your support.

Unfortunately, we experienced some bad behaviour from a minority of pupils at the recent KS2 disco. With this in mind, in future we will consult with the school regarding pupils behaviour prior to an event.

On a lighter note we recently hosted our annual AGM meeting. Following on from this I am happy to report that we have welcomed two new members to the PFA and were very happy to see some new faces and some great ideas. Can I please remind you that the PFA is open to everyone to attend and we are always happy to receive new members to your group. Please pop along to the next meeting which is on Wednesday 20th March at 3:30pm.

We have some exciting events coming up which we hope you will support us in.

As some of you may be aware there was recently some letters that went out for expressions of interest in Mother's Day events. As soon as we have all the interest, we can give out further details. There are two separate events. One for Foundation Phase and one for KS2.

UPCOMING EVENTS:
